: APPLICATION NUMBER

This notification serves to inform the applicants that the international application number associated with the above-identified US application has been corrected to PCT/DE00/04551. Previous correspondence mailed by this Office incorrectly indicated an international application number of PCT/DE01/04551. It is noted that that the applicants also indicated this incorrect international application number on the transmittal letter they filed 19 October 2001.

This correction to the international application number has been entered into the electronic records of the Office. Accordingly, all future correspondence related to this application which indicates the international application number will indicate the correct international application number PCT/DE00/04551.

Any further correspondence with respect to this matter should be addressed to the Commissioner for Patents, Mail Stop PCT, P.O. Box 1450, Alexandria, VA 22313-1450, with the contents of the letter marked to the attention of the Office of PCT Legal Affairs.
